Greensted Newsletter

Friday 10th July

What an amazing week we have had at Greensted! Year 6 have been enjoying their Bushcraft adventure and have had an amazing time. From camping out under the stars to taking part in non-stop activities, it has been a fantastic experience. We are also delighted to hear that the food has been delicious! We can't wait to welcome them back and hear all about their trip. Year 3 also blew us all away with their end-of-year performance, taking us on a journey through history and filling the hall with songs, facts and plenty of entertainment. Congratulations, Year 3, on such a brilliant performance. Today, we were pleased to welcome parents and carers into Reception for our Teddy Bear's Picnic. Families enjoyed reading with their children, along with some lovely cake and refreshments. It was a wonderful opportunity to share special time together and celebrate the children's learning. Thank you for your ongoing support. Together we make a difference. Have a great weekend and COME ON ENGLAND!

STUDENT VOICE

BY

MILA AND YOLANDA

Hello and welcome back to the Student Voice and today I will be talking about what fun activities have been happening during the week. Since some Year 6s have gone on a trip, the people who wasn't able to attend got to transform class rooms in Mr. Rowlands. But as there is a heat wave in the United Kingdom, we have been doing some incredible water sport games. One time we had cups with holes, a bucket filled with water and 2 litre bottles. With those objects we placed the 2 litre bottles on our heads and the person with the cups with holes in them had to pour the water in to the bottles from a height. Now moving onto Mila. Hi, this is Mila. Today I am going to speak about prom and the leavers assembly. I am so excited for prom. I am wearing navy blue. What colours are you wearing? I am going to miss being a member of Greensted. Signing off, the Student Voice!

School Attendance

Overall the school attendance: 95.12%

Our magic number to beat is 96%

Congratulations to...

Highest in Lower School: Pear 99.33%

Highest in Upper School: Willow 98%

GREENSTED NOTICE BOARD

School parking: Could we all be mindful when parking when dropping off and picking up at the start and end of the school. It gets very busy and can be very dangerous for children when navigating around cars.

Thank you.
