Greensted Newsletter

Friday 12th June

Welcome back to our final term of this academic year! Time is flying, and it is wonderful to see the school community settling into such a busy and exciting end to the year. We have lots coming up over the next few weeks, including sports days, the Father's Day sale, Move Up Morning, the Hello and Goodbye evening, and the Greensted Summer Fete. We have so much to look forward to, and there will be plenty of opportunities for families to join us in celebrating all that our children have achieved. A gentle reminder that attendance is important. Every day really does count, and being in school helps children to make the very most of their learning and all the special events this term. Thriftwood was a major success, and the Year 4 children had an amazing time. They embraced challenging outdoor activities and did not let anything stop them from giving everything their all. A huge thank you to the teachers who volunteered their own time to spend with the children. Only with such amazing staff, are experiences like this possible. Thank you for your ongoing support. Together we make a difference. Have a wonderful weekend.

Mr. Chetty

STUDENT VOICE

BY

HARPER AND MILA

Hello and welcome back to the Student Voice. How was your two weeks? I hope it was fantastic. I went to a concert and I saw sixteen singers including Jason Derulo and RAYE. They were my favourite singers and I had the best time. Now onto Harper. Hi, this is Harper, today I am going to be talking about moving in to a new year. What year are you going to be in? I am going into Year 7 and my secondary school is De La Salle. How do you feel about moving up? I am feeling excited but also sad because I am going to miss my friends. Bye everyone and speak to you soon. Student Voice signing off.

MyMaths

Maths homework is changing at Greensted. From next Friday 19th June children will have their Maths homework set up on MyMaths. It is an online platform where children will complete the home-work sent. Thank you for your support. GPS

School Attendance

Overall the school attendance 95.13%

Our magic number to beat is 96%
