Greensted Newsletter

Friday 19th June

Welcome back to another week at Greensted. Year 1 had an amazing time on their trip to Hertfordshire Zoo. The children were brilliant throughout the day and loved exploring the different animals and learning more about the world around them. Year 2 also had a fantastic trip to Barleylands. They enjoyed meeting the farm animals, going on a tractor ride and even making their own ice-cream. What a wonderful hands-on experience for them all! Our termly Speak Up assembly was outstanding. Children from Year 2 to Year 6 took part and spoke up in front of a packed-out assembly. It was incredibly inspiring to see so many children showing confidence, courage and respect as they shared their thoughts and ideas. We also enjoyed Reception, Year 1 and Year 2 Sports Day, which was full of excitement, teamwork and lots of cheering from the sidelines. Finally, our Father's Day Sale was a major success. Thank you to everyone who supported it. To all the dads out there, have a wonderful Sunday with your families. Thank you for your ongoing support. Together we make a difference. Have a wonderful weekend.

STUDENT VOICE

BY

MILA, AVA AND ALEA

Hello and welcome back to the Student Voice. The weather is hot! I think today is nearly 30 degrees. I am sweating so much but I am making sure that I drink lots of water and wear my hat. Hi this is Mila, today is Sports Day for Reception, Year 1 and Year 2. The Year 6 children got to help them outside. The children had the best time, trying their best with their loved ones cheering them on. Finally, for the last 2 days we have had our Father's day sale. All the Greensted children went to buy presents from the sale. Year 6 are going this afternoon. I wonder what I will get my dad? Thank you for reading the Student Voice.

School Attendance

Overall the school attendance 96.2%

Our magic number to beat is 96%

Congratulations to...

Highest in Lower School: Apple 99.67%

Highest in Upper School: Oak 98.71%
