Greensted Newsletter

Friday 26th June

Welcome back to another week at Greensted. A huge congratulations to **Cherry Class** for their assembly this week. It was an overwhelming success and enjoyed by everybody. The children were absolutely fantastic, with amazing singing, amazing acting and an amazing performance all round. Well done, Cherry Class — what a wonderful achievement! This week has also been one of the hottest of the year, and we have been working closely with guidance from Essex County Council and the Department for Education to make sure our children stay safe and comfortable in the heat. To support this, we have reduced physical activity outside after midday, rearranged after-school clubs, changed Sports Day and a school trip, and ensured that children have been wearing light clothing. Drinks have been available throughout the day, and we have also extended break and lunch times to help everyone stay hydrated. Luckily, at Greensted we also have air-conditioning in parts of the school, and classes have been working together to rotate times so that cooler areas can be used fairly. To all our staff and parents, thank you for your support. With climate change having an impact on the weather, we know we may have more days like this, but this week has shown that Greensted is ready to continue to educate and give our children the very best. Thank you for your ongoing support. Together we make a difference. Have a wonderful weekend.

STUDENT VOICE

BY

MILA AND HARPER

Hello and welcome back to the Student Voice. This week the Year 6 children have been visiting their secondary schools. My secondary school was really fun. I had the best time ever. The teachers were kind and the lessons were really cool. Now moving onto Mila. Hey everyone, on Friday it was the hottest day of the year but luckily Greensted has air-conditioning and when the day finishes I will be in my pool for the rest of the day . Don't forget to put on your hats, sun-cream and suitable shoes. I hope you have a good weekend. Signing off, the Student Voice!

School Attendance

Our magic number to beat is 96%

Congratulations to...

Highest in Lower School: Olive 93.33%

Highest in Upper School: Oak 97.74%

GREENSTED NOTICE BOARD
