Greensted Newsletter

Friday 9th October

What a great week we have had at Greensted this week! It has been lovely to see the children learning, exploring and sharing their achievements across the school. Despite the rain, the Year 3 children had the very best time on their trip to Thorndon. They enjoyed exploring the forest, building dens and discovering what life might have been like in prehistoric times. It was a fantastic opportunity for them to learn outdoors and put their teamwork skills into practice. Reception visited the local library this week as part of their learning about the people in our community who help us. The children enjoyed finding out more about the important work carried out in the library and the ways in which it supports local people. What an amazing assembly from Maple Class! They showcased the learning they have completed so far in Year 6 and shared what they aspire to be when they are older. It was wonderful to hear about their ambitions and to see the confidence they showed while presenting to the school community. Well done, Maple Class! Thank you for your ongoing support. Together, we make a difference. Have a wonderful weekend.

Year 3 Thorndon

Girls Narrowly Miss out

What a fantastic tournament it was for our wonderful Year 5/6 girls' football squad at James Hornsby this week! The girls showed brilliant teamwork, determination and skill. The girls narrowly missed out on the semi-finals by just one goal on goal difference — an incredible achievement. We are so proud of the whole team. Well done, girls!

STICK it in the DIARY

Tues 13th Oct

PARENTS EVENING

15:00-17:30

Thurs 15th Oct

Year 6 Sycamore Class assembly @ 14:30

STUDENT VOICE

BY

DOUGIE, JACK, JOSHUA AND MILLIE

Welcome to the Fantastic Four. We have interesting news, like Apples suddenly growing from trees. Normally, they are very hard to find in England at this time of year but near the stadium there are apples growing and we don't know if they are poisonous. Don't eat them! Over the last couple of weeks Year 6 have been practicing and performing their fantastic plays. Right now, only Rowan and Maple class have done them but Sycamore class will be performing soon. It's October and Greensted are getting in the creepy mood for the season. The disco is coming soon so after you have done your part in school, fly to the hall to party. Finally, this week's mystery is, drum roll…the bathroom is haunted! Because it makes creaking noises. Ooooooooooooooo! And the hand dryer turns on when no one is even there! Spooky! From the Fantastic Four! Have a fabulous weekend!

School Attendance

Our magic number to beat is 96.60%

Our School this week is 96%

Congratulations to...

Highest in Lower School: Olive 100%

Highest in Upper School: Holly 98.13%

GREENSTED NOTICE BOARD

Year 6: Parents and carers, you are now able to apply for your child's secondary school place. We warmly encourage you to visit as many schools as possible, during and after the school day. If you are visiting a school during the school day, please notify Greensted. We advise that you make a choice for ALL 6 places available. Deadline for the application is 31st October 2026.
