Greensted Newsletter

Friday 11th September

What an amazing week we have had at Greensted this week. In Year 2, the children travelled back in time to the Great Fire of London - don't worry the children were safe! They discovered what life was like, and everyone had a wonderful time. Thank you to the Year 2 team and volunteers for their help. Our Year 4 and 5 children enjoyed their postponed District Sports, and the children were amazing! Competing against the other schools from around Basildon, they showed great enthusiasm and teamwork. Well done to all the children who took part. Finally, this week has been the start of Welcome meetings for each year group, and so far it has been a great success. It has been great to see so many parents/carers attend. I appreciate not everyone can attend because of other commitments, and any questions that you do have then please do not hesitate to contact the school. Thank you for your ongoing support. Together we make a difference. Have a wonderful weekend.

STUDENT VOICE

BY

DOUGIE, JACK, JOSH AND MILLIE

Hi Greensted, this week's news is written by Millie G, Dougie, Joshua and Jack P and we're here writing the news every other week. Year 6 Maple class have been working on a play based on their topic. Their singing could do with some work. Finally, a scene includes apples thrown on Louie Wills head. In Year 6, Sycamore we were learning about World war 2. When Mr. Rowland turned on the air raid sirens, we had to go under the table and use our shoes as gas masks. Ridiculous, we had to walk around the school missing one shoe! Mystery of the week: Last year there was a tile missing from the toilets! And blood dripping down but no one was missing. Who's blood could it be? Mystery! Until next time, we are the Student Voice!
