Greensted Newsletter

Friday 18th September

What an amazing week we have had at Greensted this week. It has been a busy week, with our children taking part in learning, discussion and activities that help us to build a respectful and inclusive school community. This week, our children wore red to support the amazing charity **Show Racism the Red Card**. Alongside changing their uniform for the day, the children took part in learning about equality. They explored the importance of treating everyone fairly and discussed why nobody should be treated differently because of the colour of their skin. These conversations are an important part of helping our children understand respect, kindness and inclusion. I would also like to address an important matter regarding **RESPECT**. Unfortunately, over the past week, many parents and carers have spoken to members of staff at Greensted aggressively and rudely. This is not acceptable, and we will not tolerate this type of behaviour from parents and carers. We ask that all communication with our staff remains calm, polite and respectful, so that we can work together positively for the benefit of our children. Thank you for your ongoing support. Together, we make a difference. Have a wonderful weekend.

Mr Chetty

We DO NOT tolerate abuse of our team.

Our staff are here to ensure that your visit to our school is a pleasant one and to ensure the safety of all of the children.

Verbal, racist, physical abuse or aggressive behaviour towards our staff or other visitors to the school will not be tolerated.

All incidents will be logged and where necessary, reported to the police.

STUDENT VOICE

BY

ALBANY, ANAYAH, MIA AND PENIEL

Hi, I'm Albany and this is Student Voice. I'm in Year 6 and I play for the school netball team. I'm going to be talking about some positives of Greensted. We have our own football and netball teams as well as a choir. At Greensted, a select handful of children in each year group go to District Sports every year. Additionally, Year 4 go swimming to help build their self-esteem and confidence. Hi, I'm Ananyah and I'm a Year 6 student who is a member of the SV. In our first 2 weeks, we could either have cold school dinners or a packed lunch, although the majority chose packed lunch. Next Thursday, Year 6 have a school trip to RAF Hendon and I'm excited for it. Hi my name is Mia Kemp and this is SV. I am a Year 6 student and will be going over some topics I have been learning and what has recently happened here at Greensted. I have been learning about WW2 and in English we are reading a book called 'When the Sky Falls'. It is really good and interesting! Recently there is has been a Year 3 and 4 Districts and Stand Up to Racism Day. Hi, I'm Peniel and I'm in Year 6 and I'm a member of the SV. Life as a Year 6 is hard but can be very fun. I play for the squad netball team and like playing football. I will covering some things that has happened at Greensted. At Greensted, children go on tournaments and choir go to sing. We also have wonderful librarians that keep the library clean. Thank you for your time and have a lovely weekend.
