Greensted Newsletter

Friday 25th September

What an amazing week we have had at Greensted this week. This week, Year 6 ventured to RAF Hendon Museum as part of their World War 2 history learning. The children discovered more about the aircraft used during the war and heard the stories behind the brave soldiers who served. They also had the opportunity to experience what life would have been like for a child at school in the past. It was a fascinating and memorable visit, and the children had the best time! Next month is our upcoming Parents' Evening. This will be an opportunity to talk to the class teachers and find out how your children have settled, as well as discuss their attainment and targets. We look forward to seeing you there and sharing information about your child's progress. Have Your Cake and Read It returns for Years 1 and 2 next! This is a great opportunity to come in and read with your children in a relaxed setting. Cake, tea and coffee will be available, and all proceeds will be donated to Macmillan Cancer. We look forward to welcoming families and sharing some lovely stories together. Thank you for your ongoing support. Together, we make a difference. Have a wonderful weekend.

STUDENT VOICE

BY

DOUGIE, JACK, JOSHUA AND MILLIE

Welcome back to the Fantastic Four, the Student Voice! On Thursday Year 6 went on a school trip to RAF Hendon. They looked at super cool and big planes and even got to go inside one. Other features of the school trip included activities such as pretending to be a child at school in World War 2 and of course the chaotic bus rides to and back. Last Wednesday there was a time where there were two human trains but then it suddenly grew until the Green cage was bombarded with human trains with different variations. Normal trains, Tokyo trains and Tokyo drift trains. And then it turned into a boy versus girl children train fest. Last week an unidentified pupil was hiding toffee around the school and leaving the wrappers around the building. This is a big mystery! So if you hear godsmacking in the Year 5 and 6 toilets please contact us. Thank you for reading this report. Until next time, the Fantastic Four!
